

Creating Survey

Each Survey created using Composer may include a mix of three types of questions

1- **Multiple Choice Question**

2- **Interactive Question**

3- **Star Rating**

In a **Multiple Choice Question**, the student needs to select one of the available choices

In an **Interactive Question**, the student should select the 3D model from the scene

In a **Star Rating**, the user needs to rate the experience (4, 5, and 10 stars) based on the designer's choice

Unlike Quiz, Survey does not have a correct answer.

But it shares with Quiz other features
